

**IN THE SPECIFICATION:**

Please amend the specification as shown below:

*Replace the paragraph beginning at page 4, line 31, with the following paragraph:*

As it is a platform conceived to operate in diverse environments, in preferred embodiments, there are separations S inside the body of the platform for the most usual tools T, such as pliers, spanners, sanding tools, welding electrodes, etc., complementing the concept of portability and self-sufficiency in diverse environment.

*After the paragraph beginning at page 5, line 15, insert the following paragraph:*

Figure 7A is another perspective view of the embodiment shown in Figure 7, showing separations located inside the body of the platform.
